

Mike

THANKS for such a great Product.
After using a lot of different kind of
cleaners Power PAK is the only
one in my TRUCK. I went in
to clean a stairwell the other day.
It was white carpeted stairs, I had
just got done prespraying the stairs
with Power-PAK and hadn't adjusted
them with the rake yet and the
customer came by the stairwell &
said WOW they came out great!
I told her I hadn't even cleaned them
yet, it started to break down the
dirt immediately. After just spraying out.
Thanks for a great Product Mike.
