RE: Pow-R-Pak Testimonial

Mike:

I started using Pow-R-Pak almost two years ago. It has proven very effective as a carpet pre-spray in our professional carpet cleaning business. It also makes a great pre-conditioner when we clean heavily soiled furniture.

~~Not only are we satisfied with Pow-R-Pak, but many of our customers swear by it. We have given away complimentary 8 ounce bottles for over a year. Many customers have called back wanting more or wanting to purchase larger quantities. I have heard that it is the best spotter they have ever used, and this coming from people who have a plethora of cleaners in their cabinets.~~

Sincerely,

Brent Versendaal
Owner
